OVERVIEW OF 2008 CHANGES

Q1 HOW WILL THE 2008 EQUITY AWARD DIFFER FROM LAST YEAR'S AWARD?

A1 The Firm reviews the terms of the Equity Award Program annually and based on input from many employees has decided on several changes for 2008. These changes are designed to achieve a number of objectives, including:

- **Simplifying the program:** the Equity Award Program has been the only one among our competitors with multiple vesting schedules and deferral levels based on corporate title;
- **Aligning the program more closely with competitor programs:** the Equity Award Program in past years has provided an equity award discount, but the awards have been subject to the longest vesting and sales restrictions among our competitors.
 - Among our major competitors, Goldman Sachs, JP Morgan, Merrill Lynch, and Morgan Stanley provide no discount on employee equity awards.
- **Preserving our ownership culture:** as in the past, the overall objective of the Firm's Equity Award Program is to ensure multi-year alignment with shareholders through significant ownership stakes for employees.

As in prior years, 100% of the 2008 equity award will be in the form of Restricted Stock Units ("RSUs"). The 3 primary changes to the 2008 program are:

1. **Equity Discount:** Beginning with the 2008 equity award, employees will **no longer be granted RSUs at a discount** from their fair market value at the time of grant. However, RSUs will be subject to a much shorter holding period. See "Holding Period" below.
2. **Vesting Schedule:** Under the 2008 Equity Award Program, the vesting schedule for all employees will be the same, irrespective of corporate title: **33% per year over 3 years** (1/3 vesting on November 30, 2009, 1/3 vesting on November 30, 2010, and 1/3 vesting on November 30, 2011, respectively).
3. **Holding Period:** In 2008, the holding period will be reduced from 5 years to **3 years**. This means that vested 2008 RSUs will convert to shares of Lehman Brothers common stock in 2011, rather than in 2013.

Q2 WHEN WILL I BE GRANTED MY 2008 EQUITY AWARD?

- A2 Eligible employees' 2008 equity award will comprise two separate grants on **two dates**: a) a grant on July 1, 2008 (the "July RSUs") and b) a grant at a date to be determined by Compensation and Benefits Committee of the Board of Directors during the fourth quarter (the "Year-end Award"). You can consider the July award, which is generally 20% of the 2007 award, as an advance on any full-year 2008 award that you may receive. The July RSUs and any Year-end Award will vest and deliver on the same schedule (see below).

This special off-cycle grant underscores our confidence in Lehman Brothers' future and provides each of us with an opportunity to take advantage of the upside potential in our stock price. Further information on the July award is provided in the "July Award" section below.

Q3 HOW WILL 2008 EQUITY AWARD LEVELS COMPARE TO LAST YEAR?

- A3 For 2008, we have simplified the Equity Award Schedule by consolidating the 3 separate schedules (for MDs, SVPs, and employees through the VP level) into one schedule applicable to bonus-eligible employees¹ regardless of corporate title and based on total compensation levels. In general, for bonus-eligible employees the percentage of 2008 total compensation delivered in equity awards will **increase** from 2007, with the maximum percentage increasing from 50% to 65%; for employees earning \$100,000 or less in total compensation, however, the percentages are about the same as in 2007.

See Exhibit A for the 2007 Equity Award Schedule and Exhibit B for the 2008 Equity Award Schedule for bonus-eligible employees.

Note that for production-based² and certain other employees, the schedule will be as previously communicated. See Exhibit C for the 2008 Equity Award Schedule for production-based employees.

¹ For purposes of this document, all references to "bonus-eligible" employees refer to employees who are not considered "production-based" (see footnote 2 below) and who would be eligible to receive a year-end 2008 discretionary bonus, assuming continued employment in accordance with the bonus policy. Note that for individuals with written compensation guarantees for 2008, the Equity Award Schedule applicable for the determination of your full-year equity award is the schedule communicated as part of your guarantee.

² For purposes of the Equity Award Program, "production-based" employees are those employees, like Investment Representatives, who throughout the performance year receive production-based compensation a portion of which is cash (e.g., commissions) and a portion of which represents an accrual toward a year-end equity award. "Production-based" employees typically do not receive any year-end bonus. Employees are classified as "production-based" or "bonus-eligible" in the Firm's discretion. If you have questions about your classification, please contact the Compensation Department or your Human Resources representative.

July Award

Q4 WHO IS ELIGIBLE FOR A JULY EQUITY AWARD?

- A4 Employees whose employment started on or before July 1, 2008 are generally eligible for a July equity award for 2008, including employees on an approved leave of absence. Certain employees will not receive a July award, including, among others: employees currently in the Firm's formal Analyst Programs (including recently "promoted" Analysts), certain part-time, temporary or seasonal employees, employees on long-term disability, employees who have given notice or have been notified of their termination, certain employees in proprietary trading roles, employees notified that they will not be receiving a July award, and individuals employed by certain subsidiaries. In addition, in the case of production-based employees, anyone with a 2008 equity award accrual from January 2008 through June 2008 is eligible for a July award.

Q5 HOW WAS THE VALUE OF MY JULY EQUITY AWARD CALCULATED?

A5 **Bonus-eligible Employees**

For most employees (hired on or prior to December 1, 2006), the value of the July RSUs was calculated as 20% of the principal portion³ of the 2007 equity award. In other words, the July award is based on 2007 compensation applied to the 2007 Equity Award Schedule in Exhibit A, multiplied by 20%.

If you joined the Firm during fiscal year 2007, the July RSUs were calculated based on your 2007 annual base salary, additional eligible compensation for 2007, and any 2007 paid bonus.

If you joined the Firm during fiscal year 2008, the July RSUs were calculated based on your 2008 annual base salary, additional eligible compensation for 2008, and any 2008 written compensation guarantee.

The use of 2007 compensation for the purposes of calculating the July RSUs does not indicate any right or eligibility for compensation in 2008 (or 2008 compensation at any particular level or range) or to any additional equity award for the 2008 performance year.

Production-based Employees

Your July RSUs have been calculated based upon your **annualized** production payout and other compensation, after all adjustments, for production months December 2007 through May 2008 (relating to pay periods from January through June 2008). See Exhibit D for examples of how the July equity award was determined.

³ The principal portion of the 2007 equity award was the amount awarded as part of your 2007 total compensation (before the discount).

Q6 HOW MANY JULY RSUs HAVE I BEEN GRANTED?

- A6 To determine the number of July RSUs you have been granted, simply take the value calculated using the methodology described in Question 5 above and divide it by the grant price of \$20.96, the closing stock price of Lehman Brothers common stock on July 1, 2008.

Example (for a VP hired prior to December 1, 2006):

2007 Total Compensation	Principal Portion of 2007 Award	July Award (@20%)	July Grant Price	Number of July RSUs
\$200,000	\$9,200	\$1,840	\$20.96	87.79

Note that if the calculation results in fewer than three (3) July RSUs, then no July RSUs will be granted.

Q7 WHY IS THE JULY EQUITY AWARD ONLY 20% OF LAST YEAR'S AWARD?

- A7 As in prior years, equity awards are intended as part of an employee's total compensation for the full performance year, and are therefore determined and granted at the time of any year-end bonuses. Because bonus compensation is fully discretionary (unless guaranteed in writing in accordance with Firm policy), the equity portion of total compensation for 2008 cannot be determined at this time. To maintain sufficient flexibility in the determination of pay for 2008—and to minimize the risk that employee cash bonuses are not adversely impacted—the Firm decided that the July award would be based on 20% of the prior year award for most employees. Please bear in mind that a July RSU award does not indicate any right to a discretionary bonus (or any particular amount of discretionary bonus) or to any additional equity award for the 2008 performance year.

Q8 HOW WERE THE GRANT DATE AND GRANT PRICE FOR THE JULY AWARD DETERMINED?

- A8 All equity grants to employees must be authorized and approved by the Compensation and Benefits Committee of the Board of Directors. The July 1 grant date was set by the Committee. The grant price for the July award is the closing market price of Lehman Brothers common stock on the New York Stock Exchange on that date, \$20.96, and is used to determine the number of July RSUs granted to you.

Q9 WHAT WILL HAPPEN TO MY JULY AWARD IF I LEAVE THE FIRM PRIOR TO NOVEMBER 30, 2008?

A9 Bonus-eligible Employees

If your employment with the Firm ceases, for any reason, prior to November 30, 2008, you will forfeit the July RSUs. If you leave the Firm on or after November 30, 2008, your entitlement to any July RSUs, the same as any Year-end Award, will depend on when you leave, the

circumstances under which you leave, and your conduct with respect to the Firm after you leave.

Production-based Employees

Your entitlement to the July award will depend on when you leave the Firm, why you leave, and your conduct with respect to the Firm after you leave.

Refer to the termination provisions on Exhibit E.

YEAR-END AWARD

Q10 WHO IS ELIGIBLE FOR A 2008 YEAR-END EQUITY AWARD?

A10 Employees (both bonus-eligible and production-based employees) whose employment started on or before the 2008 grant date, expected to be determined during the fourth quarter (the “Year-end Grant Date”), including employees on an approved leave of absence, are eligible to receive a year-end equity award for 2008, with the following exceptions: employees in the Firm’s formal Analyst Programs, certain temporary, part-time or seasonal employees, employees on long-term disability, employees who have given notice or have been notified of their termination; and individuals employed by certain subsidiaries. Any bonus-eligible employee whose employment terminates prior to the Year-end Grant Date, or who is otherwise not eligible for a year-end bonus, will not be eligible for a year-end equity award. In case of termination of employment of production-based employees or individuals with a written compensation guarantee, any year-end equity awards will be treated in accordance with the relevant plan provisions or terms of the written compensation guarantee.

Q11 HOW WILL MY 2008 YEAR-END EQUITY AWARD BE CALCULATED?

A11 Bonus-eligible Employees

Your Year-end equity award will be calculated based on your 2008 total compensation and the 2008 Equity Award Schedule for bonus-eligible employees shown on Exhibit B, reduced by the grant-date value of any July award. In no event, however, will your full-year award be less than your July Award. Total compensation includes salary earned in fiscal year 2008 plus any bonus and additional eligible compensation for your performance in 2008, whether such amounts are deferred or paid in 2008.

Note that for individuals with written compensation guarantees for 2008, the Equity Award Schedule applicable for the determination of your full-year equity award will be the one communicated as part of your guarantee. In all other respects, your 2008 Equity Award will be governed by the applicable 2008 Equity Award Program plan documents.

Production-based Employees

Your Year-end equity award will be calculated as above, except that it will be based on the 2008 Equity Award Schedule for production-based employees shown on Exhibit C and your actual production and other compensation, after all adjustments, for production months December 2007 through November 2008 (relating to pay periods from January through December 2008), reduced by the grant date value of any July award. In no event, however, will your full-year award be less than your July Award. Refer to Exhibit D for an illustration of how the 2008 Equity Award will be calculated for production-based employees.

Note that the 2009 Equity Award Schedule for production-based employees will be communicated no later than December 31, 2008.

2008 VESTING AND TERMINATION PROVISIONS

Q12 WHEN WILL MY 2008 RSUs VEST?

A12 The 2008 equity award (including any July RSUs) will vest in 1/3 increments on November 30, 2009, 2010 and 2011.

Q13 WHEN WILL MY 2008 RSUs CONVERT TO SHARES OF COMMON STOCK?

A13 Vested 2008 RSUs (including any July RSUs) will convert to shares of Lehman Brothers common stock on November 30, 2011.

Q14 WHAT WILL HAPPEN TO MY 2008 RSUs IF I RESIGN FROM THE FIRM?

A14 If you resign, you will forfeit all RSUs that are unvested at the time of your termination, unless you are eligible for Full Career treatment at the time of termination.

	% of Total Equity Award Retained		
	<i>If you resign from the Firm after November 30 of:</i>		
	<u>2009</u>	<u>2010</u>	<u>2011</u>
All Employees	33%	67%	100%

If you resign and your termination is deemed a Full Career termination, you will be entitled to 100% of your 2008 RSUs, and shares of Lehman Brothers common stock will be delivered to you on November 30, 2011, provided you satisfy all delivery conditions in your award agreements, do not engage in Detrimental Activity through November 30, 2011, and do not engage in Competitive Activity through the earlier of: (1) the end of the fiscal quarter 1 year following your termination and (2) November 30, 2011.

For bonus-eligible employees, note that “Full Career” treatment is not applicable for resignations occurring before November 30, 2008. See Exhibit E for termination provisions.

Q15 WHAT WILL HAPPEN TO MY 2008 RSUs IF MY EMPLOYMENT IS TERMINATED?

A15 As in prior years, if your employment with the Firm is terminated involuntarily without Cause, you will generally be eligible to retain your (otherwise forfeited) unvested 2008 RSUs, provided you sign a Firm-standard release agreement in accordance with Firm policy and provided you do not engage in Detrimental Activity. Your 2008 RSUs will convert to Lehman Brothers common stock and shares will be delivered on November 30, 2011. (If you do not sign a release agreement, you will be eligible to receive only the vested portion of your award.)

Note that the above does not apply to terminations occurring before November 30, 2008. Bonus-eligible employees whose employment ends for any reason before November 30, 2008 forfeit any July RSUs and are not entitled to any Year-end Award.

Note also that if you are terminated involuntarily with Cause, you will forfeit all outstanding RSUs. See Exhibit E for termination provisions.

EXHIBIT D: 2008 EQUITY AWARD CALCULATION FOR PRODUCTION-BASED EMPLOYEES

Your 2008 equity award will be calculated based on your 2008 production compensation and the 2008 Equity Award Schedule shown in Exhibit C, less the portion of compensation granted as July RSUs, if any. The examples below assume an individual with production compensation for the full year 2008.

Actual 2008 Production Compensation (through May production month):	\$125,000
Annualized 2008 Production Compensation (x 12 ÷ 6):	\$250,000
Annualized Equity Award (from Schedule for employees through VP level):	\$14,950
July Award (20% of Annualized Award):	\$2,990

EXHIBIT F: GLOSSARY OF SELECT TERMS

“Appropriate Officer” means the Chief Executive Officer or Chief Operating Officer of Holdings (or their respective designees).

“Cause” means a material breach by a person of an employment contract between the person and Holdings or any subsidiary, failure by a person to devote substantially all business time exclusively to the performance of his or her duties for Holdings or any subsidiary, willful misconduct, dishonesty related to the business and affairs of Holdings or any subsidiary, conviction of a felony or a misdemeanor constituting a statutory disqualification under U.S. securities laws (or failure to contest prosecution for a felony or such a misdemeanor), habitual or gross negligence in the performance of a person's duties, solicitation of employees of Holdings or any subsidiary to work at another company, improper use or disclosure of confidential information, the violation of policies and practices adopted by Holdings or any subsidiary including, but not limited to the Code of Conduct, or a material violation of the conflict of interest, proprietary information or business ethics policies of Holdings or any subsidiary, or such other circumstances as may be determined in the sole discretion of an Appropriate Officer. For avoidance of doubt, for purposes of the preceding sentence, a material breach of an employment contract or violation of policies would include, as applicable, the employee's violation of any policy or employment agreement relating to the obligation to provide advance notice of resignation from Holdings or any subsidiary.

“Competitive Activity” means involvement (whether as employee, proprietor, consultant or otherwise) with any person or entity (including any company and its affiliates) engaged in any business activity which is materially competitive with any business carried on by Holdings or any of its subsidiaries or affiliates on the date of termination of a person's employment with Holdings and any of its subsidiaries, as determined in the sole discretion of an Appropriate Officer.

“Detrimental Activity” means (i) using information received during a person's employment with Holdings or any of its subsidiaries related to the business affairs of Holdings or any of its subsidiaries, affiliates or their clients, in breach of such person's undertaking to keep such information confidential; (ii) directly or indirectly persuading or attempting to persuade, by any means, any employee of Holdings or any of its subsidiaries or affiliates to terminate employment with any of the foregoing or to breach any of the terms of his or her employment with the foregoing; (iii) directly or indirectly making any statement that is, or could be, disparaging of Holdings, its subsidiaries or affiliates, or any of their employees (except as necessary to respond truthfully to any inquiry from applicable regulatory authorities or to provide information pursuant to legal process); (iv) violating policies and practices adopted by Holdings or any subsidiary; (v) materially breaching any contract between the person and Holdings or any subsidiary; or (vi) directly or indirectly engaging in any activity that is, or could be, substantially injurious to the financial condition, reputation, or goodwill of Holdings or its subsidiaries or affiliates, in each case as determined in the sole discretion of the Chief Executive Officer or Chief Operating Officer of Holdings (or their respective designees). Notwithstanding the foregoing, if following any termination of employment other than for Cause but prior to the scheduled Share Payment Date it is determined that an act constituting Cause has occurred which was not determined by Holdings (or its designee) at the time of such termination, such act shall also be deemed to constitute Detrimental Activity.

“Disability” means a disability under both the Lehman Brothers Long-Term Disability Insurance Plan and the Social Security Act.

“Full Career Termination” means a Termination of employment with Holdings or any subsidiary when (a) a person has at least 20 years of service; (b) the person is at least 45 years old, and the person has at least 10 years of service with Holdings or any subsidiary; or (c) the person is at least 50 years old, and the person has at least 5 years of service with Holdings or any subsidiary.

“Restricted Stock Units (RSUs)” An RSU represents the conditional right to receive one share of Lehman Brothers common stock three years after the grant date, on November 30, 2011. Generally, RSUs cannot be sold, traded, pledged or transferred during that three-year period.

“Termination” means the end of employment with Holdings or a subsidiary. The characterization of the circumstances of Termination is determined in the sole discretion of an Appropriate Officer.
